Introduction

Goulburn Murray Group Training trading as The Apprenticeship Factory and Monarch Personnel proudly supports many local community projects and initiatives through sponsorship. Since 1986, the company has distributed funds back into the community on an annual basis. We are offering our local region two rounds of small community grants to support local community groups in our region. This can be in one of the following areas: Cultural, Educational, Environmental, Recreation, Health, and Community Events.

These guidelines are used as a guide only. Each round of “giving back” may be slightly different due to:

- Number of groups applying for grants
- Yearly allocated funding already exceeded
